

# Refocusing Assessment

The following templates are designed to support and record conversations about assessment in your department which can then be shared with other departments and senior leaders.

These questions are taken from Refocusing Assessment, a resource produced by ASCL, NFER and SSAT, that you can find here: [www.nfer.ac.uk/refocusing-assessment](http://www.nfer.ac.uk/refocusing-assessment).

The resource also shows the thoughts of expert panels who considered these questions in relation to English, mathematics, science, history, geography and modern foreign languages.

We recommend reading *Refocusing Assessment* before working through the key questions with your department.
