Acknowledgements

This survey could not have taken place without the cooperation of the pupils, the teachers and the headteachers in the participating schools. We are very grateful for their support.

The authors would also like to thank the following colleagues for their invaluable work during the TIMSS 2011 survey and in the production of this report:

- David Hereward and other colleagues in the NFER's Research Data Services who undertook all the contact with the sampled schools.
- Kerstin Modrow, Ed Wallis, Jass Athwal and other staff of the NFER's Data Capture team and Database Production Group who organised all the data capture and cleaning.
- Graham Ruddock, Naomi Rowe, Christine Williams, Hanna Vappula, Louise Cooper, Newman Burdett, Sarah Maughan, Rebecca Wheeler, Bernadetta Brzyska and other colleagues from the NFER Research Department who helped with various aspects of the preparation and development of the project, marking of test booklets and/or preparation of the national report.
- Pat Bhullar, Margaret Parfitt, Rachel Trout and other colleagues from the NFER's Research Department for their administrative work on the project.
- Ben Styles, Simon Rutt and other colleagues from the NFER's Centre for Statistics who contributed to sampling and preparation for the national report.
- Jonathan Greenwood and others from the NFER's Design team who prepared materials and designed participants' thank-you certificates.
- Nick Ward and colleagues from the NFER's Print Shop.
- Helen Crawley, Claire Wanless, Jane Parrack, and other colleagues in the NFER's Sales Marketing and Impact team who prepared this report for publication and dissemination.
- Jan Shipston and Vassily Zavalov for design work on the report.

We are also grateful to the TIMSS 2011 marking team for their enthusiasm and hard work.

TIMSS is a collaborative project with a number of international partners. We would like to thank the staff of:

- Statistics Canada for their help and expertise in sampling issues
- The IEA Data Processing Center in Hamburg for their work in preparing and checking data files
- The International Study Center at Boston College and the IEA Directorate in Amsterdam for their support throughout this TIMSS study.

TIMSS 2011 in England was commissioned by the Department for Education. We would like to acknowledge the support and guidance of the International Evidence and Partnerships team at the DfE and the steering group who guided the development of this report.
